

100% of patients would refer friends and family to us.

5 Stars 

james , Fremont

The best of the best eye doctor and support staff. None better. Have always been very happy with all of their services whether its examining and prescribing or fixing existing glasses or referral services. Very satisfied.

Wonderful Experience

Sep 28, 2011
terrir , Chilton

Dr. Burkhardt does wonderful in scheduling followup appointments to be sure that the medicine I am using is doing what it should. Burkhardt EyeCare is and continues to be a POSITIVE experience.

In my book, Dr. Burkhardt is number one in eye care. He diagnosed a problem that no other eye doctor did.

The people are very professional. As a patient you are with respect. They take time to listen to your concerns. I would highly recommend Dr. Burkhardt to anyone needing to see an eye doctor. My experience was great.

Complete exam

Sep 1, 2011

anonymous

My eye exam was very detailed and complete, no pressure to buy new glasses for a minor change.

briang , Appleton

Very professional and personalized. Spends time to discuss my vision and find out what is needed. Nice selection of glasses. Staff also excellent.
